

Spencer Blanden

FULL-STACK WEB DEVELOPER

spencerblanden@gmail.com | [LinkedIn](#) | Austin, TX

I am a Software Engineer with 6 years of experience leading in the nonprofit sector and a penchant for problem solving. My extensive background of soft skills combined with my software engineering knowledge allows me to bridge the gap between a human focused approach and utilizing the most up-to-date technology as a full stack developer. Due to this background, I add a unique purposeful perspective to any team that I have the opportunity to join. At my core, I care about doing a good job and doing it the right way.

SKILLS

Languages: JavaScript, Python

Supplements: HTML5, CSS3, JQuery, React, Express, Node, PostgreSQL

Tools: Git, VS Code, Postman, Trello, Postman, Heroku, Hubspot, Teamwork, SLX, Asana, Abacus, Nexonia

Additional Skills: account management, lead-generation, event planning, staff training, communication skills with multi-disciplinary teams, Google Analytics, Non-profit Leadership.

EXPERIENCE
